What is the Arizona Citizens Defense League?

The **Arizona Citizens Defense League (AzCDL)** is an IRC 501(c)(4) non-profit, all volunteer, non-partisan grassroots organization dedicated to the principles contained in Article II, Section 2 of the Arizona Constitution that:

“All political power is inherent in the people, and governments derive their just powers from the consent of the governed, and are established to protect and maintain individual rights.”

AzCDL believes that the rights of self-defense and bearing arms are the foundation for all other rights. Our freedom of speech, our freedom from unreasonable searches, our right against self-incrimination, our right to bear arms, all of our fundamental rights only exist because we stand firmly resolved to preserve them. The AzCDL exists to strengthen that resolve.

AzCDL Legislative Goals

AzCDL believes that the emphasis of gun laws should be on criminal misuse and that law-abiding citizens should be able to own and carry firearms unaffected by unnecessary laws or regulations. Towards that end, we are pursuing the following legislative improvements:

- ✓ “Constitutional Carry” – The right of law-abiding citizens to carry a firearm openly or concealed.
- ✓ Continued strengthening and preservation of the right of presumed innocence in self-defense situations.
- ✓ Stronger State Preemption – Firearms laws should be consistent throughout the State.
- ✓ Fewer restrictions on the lawful carrying of firearms on Public property (buildings, parks, etc.).
- ✓ Explicit 3rd Party Storage Requirements when entering a posted “No Guns” facility.
- ✓ Liability responsibility for property owners who ban firearms.
- ✓ Improvements to CCW laws.
- ✓ “Restaurant Carry” – The ability of law-abiding citizens to dine out while carrying a firearm.

Our volunteer lobbyists are at the capitol regularly, fighting for your rights!

Join AzCDL Today!

AzCDL was founded by a group of local activists who recognized that a sustained, coordinated, statewide effort was critical to protecting and expanding the rights of law-abiding gun owners. AzCDL has been instrumental in the successful passage of the first major improvements to Arizona’s CCW (concealed carry) laws since they were instituted in 1994, and has been at the forefront of the fight to restore justice to our self-defense laws.

Action is what AzCDL is about!
